If you are interested in registering your child for the 2023–2024 school year, please complete the enrollment form and return it to the preschool office.

Please see the information below for more details!

After the preregistration period ends on January 31st for all current students and their siblings, remaining class spots are open to new student registration. All completed enrollment forms are placed in groups according to the class requested and class placements are filled by a random draw from all enrollments received. The “draw” will take place on Wednesday, February 1st. If your child is offered placement in a class, you will be contacted by phone or email and the registration fee will be required to hold your child’s place. All students who do not receive a class placement will be placed in a wait pool. Any remaining class spots available after February 1st will be filled on a first come, first served basis. Please note that once your registration fee is paid, it is nonrefundable.

Tuition has been calculated for the year and is payable in 9 equal monthly installments during the school year beginning in September. Tuition payments are due on the 1st of each month and if received after the 5th of the month are considered late and subject to a \$25 late fee.

A copy of the 2023-2024 school calendar is attached.
